Letter of Complaint

Good day, Christopher,

Happy Anniversary!!! It was one year ago today that you unlawfully arrested and assaulted King Dean, House of vonDehn, Hand of Stephen, Kingdom of God. I re-call thing King about this moment while I sat in a cell and thought I would take Great Pleasure in

Penning this Letter - I was wrong. It is not My wish
that I should be compelled to write it. My wish
would be that the moment Crown withdrew the charges
You would apologize for Your actions, and as King
Me for Givenness - it would have been Given. Now, I
must be as King to You for it.

My wish, was that when You were called to 171
George Street on March 28th, 2018, that You would have
protected My Common Law rights. I wish to believe
that the People of Ottawa can count on the Ottawa
Police Service to protect their rights. I wish to believe
that I can count on the Ottawa Police Service to pro-
tect My rights, and My determination to defend
the Common Law for the People of Canada to Honour
My sworn Oath of Service to God and the Queen,
Her Grace, Glory and Majesty, Elizabeth II.

As such, with a Heart heavy with disappoint-

ment, I must hereby complain that You, con-
stable Christopher Jenbyn, did assault, unlawfully
arrest and imprison, unlawfully search and seize
property from, and were the cause of serious harm
and injury to, Me, the Author of this Writ, King
dean, House of von Sehn, Hand (of the King) of Stephen,
Kingdom of God.

I wish I could just let this Matter go. But be-
cause You mocked My Claim that I am Acting On
Her Majesty's Service and seemed to take Pleasure
in causing Me injury, I thought this might be an
appropriate time to re-Mind You that We share a
Common Bond. Whether it be My sovereign Oath to
Honour God and the Queen, or by way of the Oath of
Allegiance to Her Majesty as a citizen of Canada, or
an officer of Her Laws, We have both sworn or
Affirmed to Act in Service of Her Majesty. Attacking

a man Acting On Her Majesty's Service is a serious crime in any Commonwealth country. I also presume that as an Officer of the Law, You are likely well insured to protect You from direct liability, and I am tasked with holding You accountable for Your Actions. God is as King of Me to show You Mercy.

If You write Me a Hand Writ Letter of apology fit for framing, the only penalty will be a Pitcher of Water Poured over Your head, photographed for the media. It will go a long way to improve the Image of police in the eyes of the People. It will also save the city, and therefore the taxpayer, some serious coin.

If You do not, I will be as King for \$370,000 for the assault, \$3,700.00 for each false Claim/Charge against Me, \$370.00/hour for every hour spent on defence and one ounce of Gold for each hour unlawfully detained (8)... And anything else I come up with before April 11th, which will be Your deadline.

Frankly, I am thing King that My offer sounds

perfectly reasonable, though I could use the cash if you don't think so.

This Letter will also be published on My Blog where I write about Acting in Honour in a Common Law Jurisdiction by accepting accountability for One's Deeds.

May Your Choice be that which is most Favorable for all concerned parties.

Love and Blessings,

King Lear.
