June 22 2021- CFN 21-86803 Ltr re Rule 2.01.pdf;

Good Morning,

We are writing further to the attached letter.

As the time to file our Notice of Intent to Defend is fast approaching we wanted to inquire as to if the Court has had the chance to consider our Rule 2 request or , if possible, can provide an approximate date of when we can expect to receive a response.

We would also like to confirm that while waiting for the Court's response we will not be filing our Notice of Intent to Defend and trust that no steps will be granted to note us in default by the Plaintiff.

Many thanks,

Tasha Fenner
