@bvalenti1224 @HuffPost But You continue to sit up there on your high horse and dictate what others should do. Pharmaceutical companies would never lie for a few trillion dollars profit, right? and ZERO liability doesn't make You nervous? That's just stupid.

@bvalenti1224 @Popman66854185 @HuffPost Don't tell Me what the fuck to do asshole, or if You would like to try, come to My fucking house and make Me You arrogant prick. Take Your ignorance elsewhere, take Your eleven followers with You.

@bvalenti1224 @HuffPost I Will, I'll keep informing nitwits like You that big pharma and the government DO NOT GIVE A RATS ASS ABOUT YOUR HEALTH. That's Your first misconception. Second, is that is WHY they want You to take the vaccine. At this point, only an insane person would Trust government.
