To Lili Mukalay, Krystal Skof, and Tatiana Lindstrom,

Once again, You have demonstrated gross contempt for Your Fiduciary obligations and have failed to offer any remedy or compensation to the People You have wronged. You have violated the Trust of the People who pay Your salary, negligently lost, misplaced, or willfully destroyed private property belonging to Sean von Dehn, then threatened and coerced him to commit a criminal act to destroy the evidence of Your breach so You would not have to compensate the other injured party. And even after all of this comes out and is exposed, You STILL offer no apology or compensation to the People You harmed, and continue to pay your Self from the Public Trust Created for their Benefit. It's psychological and emotional abuse, and a form of extortion.

I'm not going to go over all Your crimes again, You know exactly what they are and You *intended* to perpetrated these crimes and do so *shamelessly*, even after being advised that what You are doing is a criminal offense, and failing to provide compensation to People who would otherwise be entitled seems like exploitation and discrimination of a marginalized minority unable to effectively advocate for their rights due to economic restraints and lack of ethics and integrity on the part of the City of Ottawa, who Will use the Public Trust (People's money) to cause further harm by using those lawyers to Keep the People from receiving a fair and impartial hearing when they are taken advantage of by city employees and State Actors.

You are hereby legally and lawfully served.

A ten percent interest charge Will be applied to the \$1,000,000.00 You have agreed to pay the Beneficiaries, compounding monthly if a Court order is necessary for enforcement of payment.

The Notices legally and lawfully served upon You are attached for Your convenience.

Blessings, You Will need them,

King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean  
For the Benefit of Colleen Lynch and Sean von Dehn, and  
On Her Majesty's Service
