Good day,

Please find a link to the materials that the Trustee, King Sean intends to present at the case conference on January 25th for The Kingdom of Heaven Found a Sean (the Trust). The 'alleged' Estate application is a **fraud** as no documents were ever filed with the Court, which is fraud by definition and with **criminal intent** to deceive Sean and unfairly influence justice by preventing his testimony from being heard by the Court. It is also **malicious defamation** to suggest that the

Claim was a 'colossal attack' on the Casullo endorsement when all parties to the Claim know very well that the Trustee, King Sean was ambushed with this information by the Statements of Defense.

The Trustee feels that no further information is required to prove the fraud beyond any reasonable doubt than to request for the Registrar at the Case conference to enter CV number '20-59' into the system to pull up the Estate application Court of Record (there isn't one), proving the fraud on its face (prima facie) once and for all. King Sean Will also be as King for \$10,000.00 in costs for the previous motion and an additional \$10,000 in costs for wasting his valuable time and energy at this Case conference with criminal intent to deceive the Court and defame Sean's Character when the matter could easily have been resolved amicably if any One were to take accountability and responsibility for their wrongdoings.

It is the opinion of the Trustee that You have all withheld disclosure from the primary Beneficiary to conceal the fraud and with intent to cause further undue emotional, psychological, and emotional harm to the primary Beneficiary, which is why the Trustee is as King for 10% interest on the dollar Value of the Claim which continues to depreciate at an alarming rate as a result of Canada's ever increasing inflation, so the Trustee is as King for interest to preserve the REAL Value of the Estate for its intended Beneficiaries, and with intent to encourage a speedy resolution. You all appear to have abandoned the Trustee's generous offer of immunity from criminal prosecution in favour of a speedy resolution, so I Will be as King for criminal prosecution in addition to financial compensate Sean for the harm You've all done to the Estate and its intended Beneficiaries.

I look forward to Our day in Court.
