Good evening, Christopher,

As stated previously, You did not rebut My Reply Factum, which stands as fact on this Court of Record concerning this Claim. You have tacitly conceded that Michael threatened to destroy a testamentary instrument of significant sentimental value to Me (the only thing I have to remember My late father by) if I DARED file an Application for Estate Trustee, or even if I were appointed by the Court if it was determined that an ETDL was required. You are also well aware that I had no knowledge of any Endorsement other than the Woodley endorsement of 2020 to an Application that was (allegedly) withdrawn. Hala Tabl assured Me that the Woodley Endorsement was binding upon the Application, and that no further endorsement were required or forthcoming. Obviously this was a lie, too. You are now conspiring with these criminals, so I Will be as King for criminal prosecution in addition to financial compensate Sean - and not for Michael, for YOU because as a lawyer, You should be Acting in Honour and not participating in Court fraud.

I look forward to Our day in Court, these emails Will be presented to the Court as My Memorandum, as I don't feel that One is required until I receive a reply to My Motion of Contempt - kind of like putting the cart before the horse, in My humble opinion.

[Motion for Contempt of Court, Court Fraud and Malicious Defamation](#)
