Dear Sir or Madam,

Please find attached form 37A, Notice of Motion for fraud and perjury in an Estate Application perpetrated by the Respondents of the Claim.

Please also indicate whether any other documents are required at this time, I expect to have the completed Motion Record submitted to the Court before the date requested to hear the Motion.

Please also find attached the Notices of Civil and Criminal Liability duly served upon all the Respondents for continuing to (knowingly) perpetrate fraud on these Courts and the Claimant's Trustee. Please also take Notice that there has been no objection to the Notice of Civil and Criminal Liability served on each of the Respondents.

I Will be as King for criminal prosecution for aggravated circumstances regarding the intent and deliberation that went into perpetrating this fraud on the Court. Do I require any other documents to move the Court for criminal prosecution, **or is Form 31 sufficient?** I plan to include all necessary documents in the completed motion Record which I intend to have prepared for the Court by 5:00 PM, Thursday, March 23, 2023.

Please also note that I believe a Registrar of this Courthouse is complicit in the fraud, Michelle Murphy. Michelle has been receiving documents for Hala Tabl on behalf of Tanja Johnson and NOT processing the documents onto the public Record so that Sean von Dehn and Tiffany Singh cannot participate to present their Wills (testamentary instruments) to the Court. These criminals need to be apprehended.

Thank You kindly, I look forward to hearing from You,

King Sean, House von Dehn,
Hand of Stephen,
