Dear David,

You are being served with Notice of Civil and Criminal Liability in a Common Law jurisdiction and have 20 days to provide relief and remedy or be liable for the full value of the claim CV-22-89835 multiplied by the number of days it takes You to have the unlawfully issued Certificate issued in violation of the Rule of Law, the Rules of Civil Procedure and in violation of My Charter and International Treaty rights.

The value of the Claim as of June 1st is \$2,556,003,33, the plot of land located at 1070 Hewitt St. Gravenhurst Ontario, and a 2023 Porsche 911 GTS manual transmission.

Interest on the Value of the Claim is compounding monthly at a rate of 10%, with a per diem rate for June of \$8,520.01.

You are wasting a great deal of My time, and My time is extremely valuable to Me.

Have a wonderful day, I look forward to hearing from You.

You can consider any further anonymous emails to Me as having not been sent. Courts don't speak, People do and if Your officers Will not take accountability for their Actions, as far as I'm concerned, they have Will and therefore no standing.

You Wish to try to tell the King that You had no knowledge of this Claim or due time to respond because I didn't serve it on You 'according to the Rules of Civil Procedure'? Okay! I'm sure the King Will LOVE that! I'll make sure it is clearly visible on the international public Record for all the world to see, and You can continue to pretend that You can't hear Me. You just make My claim of incompetence that much easier to prove. Return My stolen property to Me immediately, You are an embarrassment to the Crown and its reputation.
