Good morning!!

I am hoping You have all had a wonderful Victoria Day. I'm not sure if it's ironic, kismet, or serendipitous, but as King of You to Honour Your Oath to this Court, Canada's Sovereign People, and the Crown on the same day You are not in the office to Honour the very same institution is... Something beyond coincidence - especially considering that it really wouldn't be unreasonable for Me to be as King of You to provide the inform a Sean on March 22nd, 2022 because that would already have been more than two weeks too late a year ago yesterday.

However, because I'm not at all an unreasonable Man, I am going to extend the deadline to provide Me with the inform a Sean I am as King for until 5:00 Post Midi, Tuesday, March 23rd, 2023.

Once again, \$1,000,000.00 Will be added to the total Value of the Claim against the Crown for breaching the public Trust, which may not sound like very much. However, do Keep in Mind that is in addition to the Value of the Claim CV-22-89835, which Will be \$2,556,003.33 on June 1st, 2023, with 10% interest compounding monthly, calculated daily (\$8,520.01 per diem for the month of June) *multiplied* by the number of days it takes 'the Crown' to have the fraudulent Certificate returned to the Court, Issued to the rightful Trustee, (King Sean, House von Dehn), along with the land deed to the property at 1070 Hewitt St. Gravenhurst Ontario, and a Porsche 911 GTS manual transmission, 2023 model.

So, You do the math, the \$1,000,000.00 is substantial and appropriate considering the fraud has been reported to three Ontario Superior Courts, Canada's Minister of Justice and Attorney General, and so far no One seems to have lifted a finger to put a stop to these crimes against Me. I Will also be as King for all People involved to be prosecuted to the fullest extent of the Law, and this well constitutes aggravated circumstances, so I am thing King that substantially more than the minimum two years sentence suggested by Canada's Criminal code Will be appropriate.

Trespassing upon a representative of the Crown in service of His Majesty is an Act of Treason according to Canadian Law, and My Oath of Office is on this Superior Court of Record since Jan. 19th, 2017, and with the Crown, Her Majesty Queen Elizabeth II (while she was Living). I intend to Honour Her Majesty's heirs and successors with as much vigilance and determination.

I look forward to hearing from You.

Have a Blessed day,
King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean
On His Majesty's Service
