Mr. Crisman-Cox and I (the two counsel for the moving parties/defendants) were under the understanding that this case conference was to be conducted only 'if required'. In other words, the time was blocked off, but no conference actually scheduled or set down.

Neither of us requires a case conference and we have had no indication from the plaintiff that he does.

No material has been filed by any party and no correspondence exchanged by with me indicating that a case conference is required, nor that there are any issues to discuss.

Accordingly, I request no case conference be held, and that the time held in Justice Kaufman's schedule be released.

Can you please confirm that it will not be proceeding?

Thank you,

This case conference is most definitely required and Neil Milton is lying to the Court to suggest otherwise. Opposing counsel (all Respondents) are refusing to respond to correspondence to explain why they are attempting to perpetrate fraud on the Court. They were duly placed on Notice of Civil and Criminal Liability for participating in the fraud perpetrated by Rosen Sack in the Rule 21 Motion hearing, and Default Judgment was awarded against them for failing to respond according to the Principles of due process of service in any Common Law Jurisdiction.

King Sean, of House von Dehn Will be as King to have the Default Judgment awarded against the Respondents enforced by these Courts at the conference hearing.

These are serious charges, NONE of the Respondents Will respond, and My sister is withholding My property from Me as a result of a fraudulent Certificate.

Neil suggesting there is no need for this conference is just another example of their contempt.

I look forward to this conference at 4:00 PM today, and would like to suggest that any party who does not attend be found in default.

Thank You,

King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean

Post Script: May I also request a copy of the 'Information for Court use Form' filed with this Claim (22-89835) to be sent out to all Respondents of this email for all their Benefit. Either opposing counsel continue to forget that this is a Trust Claim governed by a Trust Instrument, have no Idea what laws govern Trusts, or are attempting to gaslight a Trustee. These are Courts of inherent jurisdiction, it Will inherit the jurisdiction required to fulfill the Trust obligate Sean's in accordance with Canadian Law.

Well, I guess We can add Justice Kaufman to the list. Three officers of the Court Given Notice of fraud in an Estate Application in violation of Charter rights and *collusion* to perpetrate fraud by the Bracebridge Superior Court, and NONE take action or even put a stop to the fraud and harm being done? Really? Very interesting. Doesn't appear to be a Court of competent Jurisdiction, does it? A Superior Court that *can't* inherit the jurisdiction required to provide relief and remedy - or doesn't Wish to?

You Will be Noted in Default Judgment, Nihil Dicit, Res Judicata for CROWN liability for failing to provide relief and remedy for complaints of Charter violations Expressed to the Superior Court on AUGUST 4th, 2022. That's when 'the Crown' was Truly served because that's the date I was first as King for relief and remedy. It's further corruption and or breathtaking incompetence at best.

This Court doesn't Wish to enforce My Orders, I'll be as King for the King to do so in Your stead because I don't believe for one second the King would tolerate this conduct taking place in Canada's Courts, especially when officers of the Superior Court are complicit in the fraud. Most People would Wish to make an example, especially on a public Record.

Blessings,

King Sean, House von Dehn,  
Hand of Stephen,
