Dear Sir or Madam,

Please confirm the date and time of Case Conference for the above Matter, when I can expect the link to the Conference, and how the link Will be provided.

All opposing counsel to this Matter have been duly Served and Noted in Default for perpetrating fraud on the Court with intent to influence Justice in violation of Canada's Criminal Code, 380.1, and know that I Will be as King for the Default Judgment awarded against them to be Endorsed at the next case conference hearing (June 12, please see attached Notices Served upon the Respondents) in accordance with the terms and conditions of the Reply Factum on the Court of Record.

I anticipate I Will require no more than half an hour to forty five minutes of the Court's time. Opposing counsel have failed to respond to any correspondence whatsoever since they have been Noted in Default and were advised that any future correspondence with this Court regarding this Matter Will be made without their prior knowledge or consent.

The additional Notices concern Crown liability of officers of the Superior Court in breach of Trust and or complicit in the fraud. I don't believe the Title of the Trust's Claim requires any amendments so long as the Default Judgment and relative Orders already Issued are duly enforced by this Court.

I look forward to receiving this confirmation before the end of today.

Thank You kindly,  
King Sean, House von Dehn,  
Hand of Stephen,  
The Kingdom of Heaven Found a Sean

Thank You,

Yes, here it is, I was just drafting another email to You - I copied and pasted it here:

Dear Violet,

38:44 is when Justice Kaufman says,

"I'd like to schedule another Case Conference just to check in on everyone to make sure that everything is fine. (Pause) June 12th I have a spot at noon."

Every One confirms, I have not heard Word it was cancelled.

Thank You,  
King Sean, House von Dehn,

RE: CROWN liability, and liability for David Lametti in his personal, private capacity.

If this Case Conference proceeds as it was scheduled to proceed this afternoon at noon, and the **Judge enforces the Default Judgment already awarded against the Respondents to this Claim, putting an immediate stop to the harm being done to Me by these proceedings and 'the Crown's incompetence**, 'the Crown' and its officers Will be absolved of liability and You can deal with the corrupt, criminal officers of the Bracebridge Courthouse and Justice Jaye Hooper however You see fit. Otherwise, You and all other officers of these Courts Will be liable to Me as stated in the Notice of Liability served upon You and I Will be as King for a full investigation into all officers of the Court who had a hand in these proceedings to determine why no One was sufficiently competent to put a stop to the harm being done to Me by the fraud perpetrated by the very institution that is alleged to guarantee the rights they are violating. Default Judgment, Nihil Dicit, Res Judicata Will be awarded against You, David Lametti as chief Crown representative for these Courts on June 17th, 2023 if this Matter is not resolved today.

This is the best resolute Sean proposal You Will get, though I Will still be as King for a bill for My share of Canada's debt for any fiduciary obligations so that I may be free to dispose of My natural wealth without prejudice to any future Canadian (foreign) obligate-Sean's.

I look forward to hearing from You - at least once would be nice.

When was the case conference CANCELLED? And why was I not Given Notice!? There WAS a Case conference scheduled for June 12th, 12:00 noon at the last case conference! This was arranged by the Judge and a recording was provided? That it is a contractual agreement. Tell the judge he is in breach of contract, I can provide the recording again for You if You Wish - this case conference was already scheduled!!!

Does this court typically cancel case conferences without Notice to any party?

If I don't receive a name, I don't consider the email a reply. Anonymous emails are not accountable to an officer.

Unless of course You are going to endorse the Default Judgment already awarded against the Respondents, there is no need for any further proceeding, the Respondents are not participating in the judicial process and REFUSE to respond to

correspondence. Proof of service is included in the Notice it Self, but if You require an affidavit of service to process the Default Judgment, I can have One prepared.

I'd also like to know who the Court uses to insure their officers to their performance bond. Who is Your insurance provider, I need to make a claim against several court officers who are required to be bonded.

I look forward to hearing from You,

King Sean, House von Dehn,

Look, I NEED TO KNOW - was the last conference a complete hoax? Does NOTHING that was said there mean anything? What is the point in as King all parties if they are available on June 12th at 12:00 noon, waiting for all to confirm and saying, "okay, Case conference scheduled for June 12th, noon'?

What is the point of a case management conference if the schedule the justice sets means nothing? Why was this conference cancelled, and WHEN, by WHOM?

Is this typically what One should expect from the Superior Court? This is outrageous!

I require an explanation. Or is Your plan to just continue gaslighting to keep Me waiting for no reply?

I have just received the confirmation I was as King for. I find it discouraging that You did not have any Record this meeting was taking place. It has been rescheduled for 4:00 this afternoon.
