Dear Sir or Madam,

Please confirm the date and time of Case Conference for the above Matter, when I can expect the link to the Conference, and how the link Will be provided.

All opposing counsel to this Matter have been duly Served and Noted in Default for perpetrating fraud on the Court with intent to influence Justice in violation of Canada's Criminal Code, 380.1, and know that I Will be as King for the Default Judgment awarded against them to be Endorsed at the next case conference hearing (June 12, please see attached Notices Served upon the Respondents) in accordance with the terms and conditions of the Reply Factum on the Court of Record.

I anticipate I Will require no more than half an hour to forty five minutes of the Court's time. Opposing counsel have failed to respond to any correspondence whatsoever since they have been Noted in Default and were advised that any future correspondence with this Court regarding this Matter Will be made without their prior knowledge or consent.

The additional Notices concern Crown liability of officers of the Superior Court in breach of Trust and or complicit in the fraud. I don't believe the Title of the Trust's Claim requires any amendments so long as the Default Judgment and relative Orders already Issued are duly enforced by this Court.

I look forward to receiving this confirmation before the end of today.

Thank You kindly,
King Sean, House von Dehn,
Hand of Stephen,
The Kingdom of Heaven Found a Sean

Dear Violet Nicholson,

There was a case conference scheduled for June 12th by Justice Kaufman at the last case conference hearing, when was it cancelled? Was any One going to Give Me Notice that it was cancelled?

Thank You,

Yes, here it is, I was just drafting another email to You - I copied and pasted it here:

Dear Violet,

38:44 is when Justice Kaufman says,

"I'd like to schedule another Case Conference just to check in on everyone to make sure that everything is fine. (Pause)
June 12th I have a spot at noon."

Every One confirms, I have not heard Word it was cancelled.

Thank You,
King Sean, House von Dehn,
