Good afternoon, Violet,

We were having such a nice converse a Sean, I was hoping to have heard from You by no later than the end of today. I hope You haven't forgot about Me, You wouldn't be trying to ghost Me, would You?

I require answers to these questions and this Court has an obligation to provide them. Your reluctance to do so has warranted My need to conduct a formal investigation into this Matter. This email thread contains the main 'cause of Action' for this investigation and Will be attached to the Notice of Crown Investigation into the Ontario Superior Court of Justice which Will be served upon You 9:00 AM Monday morning, June 19th, 2023.

The Notice You Will receive Monday morning Will include the full details of My investigation into these Courts and what You can expect. I would strongly suggest having as much inform a Sean prepared for Me in advance as possible - You have a reasonably Good Idea what documents I Will be as King You for.

I hope You have a fabulous weekend.
