Earlier we served you with our factum. Unfortunately, due entirely to an error on my part, we served you with the wrong draft of the factum. The proper version is attached.

There are no changes relevant to the substance of the motion. However, this version properly articulates Ms. Johnson's position with respect to the holograph Will which, while irrelevant to the substance of the motion, is not as set out in the draft sent in error.

Good evening, Erica,

I was disappointed You were unable to return My email yesterday. I am going to need a little additional time to digest this information to put all the pieces of the puzzle together. Do You anticipate Tanja having any more Relelations with respect to her memory of events? Does she remember emailing Sean to let him know that she had received the money and verified it was in the account on November 19th, 2022? I can share the email with You if You like, it Will be in My materials.

Considering Tanja seems to have some Issues recalling events accurately, can You remind Neil on behalf of Tanja that I requested a receipt of the transfer of funds, not a monthly bank statement that does not show when the funds were received. Can You be sure to have that ready for the Motion hearing on September 7th? Is this sufficient Notice to receive that inform a Sean?

Also, I didn't receive Notice of Tanja's change of address. Do You know when she moved to 87 Winston Crescent? And if she doesn't live there, would You be so kind as to be as King of Tanja why she is not using her home address? Isn't it bank fraud to provide a fake address? I know Joachim von Dehn doesn't live there, why is his Estate located there?

I look very forward to hearing from You. I Will add this email thread to My Motion Record.

Thanks so much, have a great evening,

Good afternoon,

Could You please try and get back to Me today to let Me know what kind of extension You can offer Me in return as I scramble to respond to this new information? Time is of the essence, please.

I would also really like to know who lives at 83 Winston Crescent. That's not information I Wish to be ambushed with in the Motion and it seems highly suspicious if Tanja is not engaged in bank fraud.

Thank You

Wow, really? You're not even going to do Me the courtesy of a response after serving Me with documents four days late that completely change Your client's story? You can't even do Me the courtesy of responding to let Me know if You Will allow the same extension for Me as I scramble to make sense of My sister's lies?

I Will be EXPECTING Tanja to produce the receipt for the transfer of funds and the documents Tanja signed to obtain the funds. I Will also be expecting Tanja to explain why the money has been deposited into an account located at 83 Winston Crescent. Why is she using a fake address?

Not knowing the answer to these questions makes it difficult to prepare My materials and piece together what Tanja is up to.

I Will be as King to convert the Motion into a Motion for Contempt of Court and Default Judgment against Tanja Johnson according to the terms of the Reply Factum already served on You for the Rule 21 Motion. And I think it's Rule 37.13 that allows Me to do that but I'll be sure to look that up before Our day in Court.

I Will be including these emails to support My Motion for contempt of Court.

Blessings,
King Sean, House von Dehn,
Hand of Stephen,

Sean –

Please direct all correspondence on this matter to me.

I have no authority to grant extensions of time to deadlines, whether in an Order or the Rules.

The mistaken components of the version of the factum that I sent in error are irrelevant to the issues on our motion – they do not affect your claim, or our motion. They are simply context for the benefit of the Court.

It 100% changes the context. And if You can't grant extensions, then neither can I. Because it doesn't make any difference to Your Motion, I Will rely on Your first factum as I cannot except the second. I can't grant extensions, sorry.

Why is the money located at 83 Winston Crescent? And Will You have the receipts to show when the transfer of funds took place? As a Beneficiary to Tanja as Trustee, I'm entitled to that information anyway whether I had a claim before the court or not. I Wish to see the receipt for the transfer of funds from the bank along with the paperwork.

Why is Tanja using a fake address for the bank account and who lives at 83 Winston Crescent? Can You answer that much?

Thank You,

Are You going to tell Me who's living at 83 Winston Crescent, or is that a surprise for the hearing?
