Good afternoon,

LAJ Gomery has instructed that the motions for summary judgment scheduled before the court on Thursday September 7, 2023 be heard **in person**.  
The matter will be heard in courtroom #34.

Thank you,

The parties have been proceeding since January that these hearings would be virtual, which was specifically requested by both moving parties. See paragraph 11 of the attached endorsement.

In addition to the significant additional cost burden, I do not believe that I can be physically in Ottawa next week as I am in Europe right now.
